GOSPEL: Contemporary Gospel, URBAN/R&B: R&B Pop Crossover Details: BIOGRAPHY Tracy M. Roberson was born to sing Gods praises! Born with a rare and crippling skin disease, she learned to trust God for the strength she needed at a very early age. Tracy developed a very close connection to God through her singing. As a child, at night, she would pretend that her pillow was God, and she would sing to it. This would consistently place her in a deep slumber in the midst of which she knew that she was safe in Gods arms, free from pain, and could see His Holy face. Consequently, Tracy has been hooked on His word ever since. God healed and delivered her at the age of 18 years old! She had several maternal pillars in her life that made sure the bond between Tracy and the Lord remained strong by encouraging her to work for God. As such, Tracy was baptized and joined the choir at St. Luke Missionary Baptist Church in Beaumont, Texas, pastored by Reverend Willie H. Ward, Sr. Her spiritual quest eventually led her to The House of Prayer in Dublin, Georgia, where she received her salvation September 13, 1993. Pastor Prentice Edmond, Greater Victory Temple Church of God in Christ, further equipped Tracy with the spiritual foundation that she needed. The Holy Spirit led Tracy to join Maxson Memorial Church of God In Christ, under the prophetic and anointed leadership of First Adm. Asst of Education/Superintendent Gary L. Cantue, upon moving back to her hometown of Beaumont, Texas, in 1996. As a member of this church, Tracy has held many offices where she has succeeded in all of her endeavors for Christ and truly enjoys serving in whatever area is needed in her local church. Tracy is a proud wife of 17 years to Bruce E. Roberson and mother of two beautiful children, Kaila 16, and Rashad 14. Singing was not only a gift to Tracy, but it was also hereditary. She comes from a musical background

of well-known, local musicians, and has received accolades for her music from friends and strangers alike. In 1993, she began her singing career as lead singer for the group; The Anointed Ones of Dublin, Georgia. From 2000 to 2005, Tracy has had the opportunity to participate in workshops with Timothy Wright, Greg OQuin, Kurt Carr, Byron Cage, and Steve Lawrence to name a few. She also had the opportunity to sing background vocals for Dana Hatch-Banks First Fruit Ministries, and is involved in several local/state choirs and auxiliaries. Tracy also was selected and participated as a finalist in the 2004 I Hear Music in the Air Conference New Artist Showcase, hosted by Gospo Centric Records. She was recently selected to open for both Timothy Wright and Greg OQuin and is currently recording her solo project. Tracy is nearing completion of first project What Do You Believe in which she wrote/ co-wrote all songs with her husband. Her release date is scheduled for April 2006. This inspirational soul stirring compilation is guaranteed to bless your soul and strengthen your heart! In 2005, Tracy and her husband Bruce established an independent record label, called Highly Favored Entertainment, Inc. God has prospered not only her musical abilities, but her professional abilities, as well. She is the Regional Manager of Cardon Healthcare Network, Inc whereas she manages revenue for 7 hospitals in the states of Texas and Louisiana. She is also active in many local community organizations. Today this wife and mother of two is overjoyed with the blessings that God has bestowed upon her and is very excited about the things that He is yet to do in her life. Strongly assured in her favorite scripture II Samuel 22&33 which states, God is my strength and power. And He maketh my way perfect. Tracy is now ready to deliver her gospel music ministry to the masses. Gods people have encouraged her to do so, but most importantly, God has placed a strong desire in her heart to share her gift with others. Her hearts desire is to fulfill Gods purpose for her life, by sharing His message through song, to reach the masses and Lift up the mighty name of Jesus! Now, Mrs. Roberson is ready to add to her list of blessings by spreading her gift through song. The music ministry of Tracy Roberson, hewn from ceaseless hours of prayer and supplication, will allow other people to feel the strong connection that she has with God, so they, too, may be healed!
