Pop/rock songs you can dance and cry to. Really. Maybe not at the same time though. 10 MP3 Songs

POP: Pop/Rock, POP: Piano Details: Toronto singer-songwriter Wendy Leung embraced music at a remarkably young age, following in the virtuosic footsteps of so many of her nations iconic tunesmiths. A background in classical piano and an astute lyrical sensibility marked her formative musical upbringing. For all that quintessential back-story, Wendys singular worldview and a diverse roster of musical influences from sweet, feminine piano balladry to driving, tuneful indie-rock have converged to shape a sound and songwriting style entirely her own. Cast in the mold of such compatriots as Sarah McLachlan, Emm Gryner and Sarah Slean, Wendy pens personal songs that simmer with heartfelt tales of relationships waxing and waning. Moody lyrics and vocal melodies float over Wendys virtuosic keystrokes on the piano, keyboard and organ. With her third album, Stop/Start, Wendy takes a decisive step forward in her songwriting, incorporating the power and flair of a talent-rich band and crafting catchy, full-blown pop songs. Breezy, optimistic rock numbers rub shoulders with atmospheric, soul-baring ballads on Stop/Start, a record pulsing with Wendys rich emotional sensibility. People who are interested in Emm Gryner Feist should consider this download.
