

Mp3 Whitenoise - Robotron

[DOWNLOAD HERE](#)

Multi-genre, comedic musings about the coming robot wars. 15 MP3 Songs HIP HOP/RAP: White-Boy Rap, ELECTRONIC: Experimental Details: With it's roots in bluegrass and old negro spirituals, the duo the world has come to know as 'Whitenoise' began with a simple question. Wouldnt it be funny if we made a CD full of songs about robots? This question soon became a CD full of songs about robots. Combining their years of experience creating things people never asked for, Whitenoise thrust "Robotron" into the loins of unsuspecting billions worldwide. There, it took hold and was nurtured and finally born anew in the image of itself as only "Robotron" could. The religiously fanatic throngs purchased this beautiful compact disc with reckless abandon and Whitenoise profited greatly. One year later, with unimaginable fortunes spent on lavish gold-flake eating contests, bedazzled swimwear and a failed hot-air balloon mass transit startup, the boys of Whitenoise have learned many lessons. Karl learned that Pitbulls don't actually "like" to be "dominated" and Josef learned that the Maltese are not to be trusted. With this new knowledge in tow, Whitenoise is once again poised to change the way you think about robots. Friendly helpers today, fiendish overlords tomorrow. Don't say we didn't warn you...
