}}}}}}{iTunes Names Xaviera "New Face of R&B"}}}}}} The storms of life can be unkind and no one knows this better than Independent R&B artist, Xaviera. On her current hit album appropriately titled Still Shining, Xaviera shares her personal story of how shes been homeless, without food, and completely broke. But, despite Xavieras hardships and downfalls she is still shining and ready to give others hope through song. Big Dee, of 89.3 FM Atlanta says: "In every generation, there is one artist that makes you stand up and take notice. Xaviera is this generation's artist. Xaviera is proving that statement to be very true. Since the release of her debut album, Sunshine, Xaviera has won several awards, established steady rotation on Urban Independent Radio, and she has toured in Sweden. From the Atlanta to Australia, Xaviera is becoming a household name in more than 40 countries around the world. Xaviera is very excited and optimistic about her sophomore album, Still Shining, released worldwide on July 25, 2006. Xaviera has rejoined forces with J. David Leonard and promises Still Shining is Sunshine to the third power. The album is sure to please existing fans and draw new fans like a moth to a flame. Still Shining has songs of encouragement, stress relief, parenthood, love and relationships. It's fair to say when life roughs you up Still Shining is your musical first aid kit. Xaviera shares, This album is very special to me because Ive written about a lot of my own personal struggles and experiences. I want this album to touch people, make them smile, and give them hope. With lyrics to the title track like: When the storms of life get me down I know I can make it. Cause through the rain I can see the sun still shining, Xaviera is sure to meet and exceed her expectations for her new album.
