Laura Starling, now wealthy and successful, has survived a bitter past. She fled from a tyrannical mother into the clutches of a sadistic man. She endured poverty, fear and pain. Then along came Ben Starling, older, wiser, who smoothed her path and gave her love and security. But now Ben has become a stranger who has slipped beyond her reach. As her stability threatens to disintegrate once more, a thin, waif-like girl from Liverpool thrusts her way into Laura's life - a girl who is to prove a link with the past. But no one can help Laura make the decisions that will alter the course of her existence. As the September starlings gather, Laura realises she must take courage and forge her own future.
