

The Art Of Record Production: An Introductory Reader For A New Academic Field

[DOWNLOAD HERE](#)

This book is designed as a general introductory reader, a textbook for undergraduate degree courses studying the creative processes involved in the production of recorded music. The aim is to introduce students to the variety of approaches and methodologies that are currently being employed by scholars in this field. The book is divided into three sections covering historical approaches, theoretical approaches and case studies and practice. There are also three interludes of commentary on the academic contributions from leading record producers and other industry professionals. Publisher: Ashgate
