

# The Book Of Mormon: A Reader's Edition

[DOWNLOAD HERE](#)

The Book of Mormon -- first published in 1830 -- is one of the most significant documents in American religious history. The Readers Edition reformats the complete, unchanged 1920 text in the manner of modern translations of the Bible. This edition also features a map, a full glossary of names, genealogical charts, a basic bibliography, a chronology of the translation, and information regarding the lost 116 pages and significant changes in the text. \_x000B\_Hardys helpful edition should go a long way toward making the Book of Mormon approachable not only for Mormons themselves but also for religion scholars whose familiarity with LDS traditions may outweigh their knowledge of the scripture itself.? -- Jan Shipps, author of Mormonism: The Story of a New Religious Tradition and Sojourner in the Promised Land Publisher: University of Illinois Press Illustration: N Language: ENG Title: The Book of Mormon: A Reader's Edition Pages: 00736 (Encrypted EPUB) / 00736 (Encrypted PDF) On Sale: 2003-06-11 SKU-13/ISBN: 9780252027970 Category: Religion : Biblical Studies - General
