

## The Way To God

[DOWNLOAD HERE](#)

IN this small volume I have endeavored to point out the WAY TO GOD. I have embodied in the little book a considerable part of several addresses which have been delivered in different cities, both of Great Britain and my own country. God has graciously owned them when spoken from the pulpit, and I trust will none the less add his blessing now they have been put into the printed page with additional matter. I have called attention first to the Love of God, the source of all Gifts of Grace; have then endeavored to present truths to meet the special needs of representative classes, answering the question, How man can be just

with God, hoping thereby to lead souls to Him who is the Way, the Truth and the Life. PS: I am not the author, but I got the resell rights!
