

United Methodist Beliefs: A Brief Introduction - William H. Willimon

[DOWNLOAD HERE](#)

This brief introduction spells out the major beliefs of the United Methodist Church in a clear, nontechnical style. William Willimon, the beloved United Methodist author, preacher, teacher, and bishop, discusses the great theological themes that United Methodists share in common with all Christians as well as the particular accents and emphases that characterize United Methodist understandings of Christian doctrines. In his engaging style, Willimon opens the door for further study, challenging the reader to move toward a continuing reflection on their faith. This guide will be of great value to those who are beginning their study of United Methodist beliefs as well as those who have long been in the church and want a helpful way to refresh their understandings of the distinctiveness of United Methodist doctrine.
