In this audio ebook, you will discover the secrets and strategies you can use to transform your entire life. The guide begins by explaining the definition of this Chinese practice and how it came into being. It also lists the methods of Feng Shui, including the Ba-Gua method. In addition to that, there are other elements that play a major part in the Feng Shui practice and this audio ebook will show you how they operate. You Will Learn: What is Chi and how it works in relation to Feng Shui The Productive and Destructive Cycles and how they work in conjunction with the Feng Shui practice It is very important to know what the colors used in Feng Shui stand for. There are 11 colors listed in this guide with explanations of what they represent in the Feng Shui world. You cant be happy unless you have a happy home, right? If you dont have peace, you cant have positive flow in your life. Its important that you make a connection and find harmony. When you incorporate Feng Shui, your situation can change from negative to positive. Plus... Why its important to have that connection with your home What you can do to make that happen What to do if the atmosphere is not responding the way you want it to What not to do if the atmosphere is not responding the way you want it to Did you know that having a lot of clutter is a hindrance to moving

forward? It also represents disorganization. Clutter can stop you in your tracks and cause you to not receive energy from Feng Shui. You need to be free and clear of mess. This guide explains two other things that clutter represents and what you can do to get rid of it. Did you know that having a happy home can affect your relationships with other people? Just think about it, if you're not happy, then you transfer that feeling to others in their presence. Who wants to be around a person that is always unhappy everytime you're with them? Discover... Changing your furniture can help you have a better relationship with others What to install outside of your home to bring about change What to do when you find positive energy in your home What you can do to increase energy in the kitchen Why you should use the colors from the Feng Shui method in your bedroom Why you should have air-purifying plants in your home office How to enhance the presence of Chi
