What If You Have All The Tools And Techniques You Will Ever Need To Set All The Right Goals And Get Any Result You Want In Life? These Products Will Show You How! From: [Insert Your Name Here] Date: [Insert Your Date Here] Dear Friend, Do you have this sinking feeling that no matter what you do or how hard you try, you will always wind up falling short when trying to utilize affirmations? It's crazy... No matter how hard you try and utilize affirmations to accomplish goals, whether big or small, it is always missing the mark. Even after trying all the tips you have learned along the way, it just doesn't turn out well... When I started using affirmations, I wasn't having much success either... I thought that by just by saying a few positive words each day, there is no way I can go wrong... But I always fall flat on my face! Little did I realize that... "Not Only Do Most People Fail Miserably In Achieving What They Want With Affirmations, They Always Utilize Them The Wrong Way..." Let's be truthfully realistic here The majority of the world do not utilize affirmations correctly. This is a sad fact and you may be one of them. Please don't get worked up when I say this because this is just a realistic look at it. The reason why I say this is because most people think they are doing great in life and achieving success - unfortunately they subconsciously believe that they can't do anything right! So what does this has to do with getting results and affirmations? Everything, in fact! Only when you truly know how to utilize affirmations and have the correct tools, will you have really strong, unstoppable belief when it comes to accomplishing your goals. That's the secret to success! But this still doesn't solve the whole problem of believing in yourself yet... Make no mistake about it... "You Need To Have A Strong Belief, But Without The Right Tools (Audio) You Won't Get Very Far..." Why is it that people still fail in spite of wanting something? Yes you can say that they don't want something bad enough - but that is not truly the case. Other times, people lose faith because it seems as if what they're doing isn't working. Perhaps they feel that affirmations are inconvenient and haven't discovered audio. Perhaps you've felt that: - You tell yourself you can run 2 miles but half way, you feel tired and you rest... - Other times, you see no results -

You want to connect with others but you lack the courage - Discouragement sets in... - You don't have the belief anymore... At the end of the day, you realize that not only is it important to have a big dream and use affirmations, but you don't have the right tools to keep you going. You can only stretch try to do it alone so much before you get exhausted. Discouraging, isn't it? But here's the good news...
