This is the year that will mark the beginning of a very promising journey. Allison Janisse is Canadian born and bred and has lived in many parts of Canada. Her love and passion for music started at a very young age and it has continued to grow with her. Smooth, fresh, toe-tapping, uplifting, and fun are all words which have been used to describe Allison's songs. Allison is a passionate singer/songwriter and performer, enchanting her audience with her unique blend of contemporary and country style using an animated, interactive delivery and soul-touching sound. "Music to me is a huge part of my life. It is my way of expressing how I feel, happy or sad and everything in between. And it is something that has grown with me through life". Her debut CD "Come Dance With Me", released at the beginning of 2008 was recorded, mixed and mastered within a short 6 months. The CD has been evaluated by many professionals in the industry. The CD as a whole was said to be a fantastic concert. So, it was decided to send the complete CD to Europe through Comstock Records International Promotions. Basically, the CD got off the plane and exploded on the European market, from Norway to Australia and New Zealand. All 11 songs have been getting strong airplay. "I had the opportunity to work with an amazing producer, arranger and engineer who became a really good friend of mine...Gerry Dere. We had a great time working on the CD. I can't wait to get back in the studio" During March and April, 2008, Allison was back in the studio with Gerry to record 2 new original songs. These were compiled onto a second CD with the originals from her first one to make an all original CD called "Journey". "I can't tell you how much fun it was recording "Who Do you Think You Are". This song has a ton of attitude and was a lot of fun recording it. I had a hard time trying not to laugh!!!" "Journey is a song that holds a big piece of

my heart. It is a song that I had been trying to write for a very long time. Then my sister, Jennifer came and said "I wrote a poem for you, maybe it is something you can use". Well wouldn't you know it is exactly what I wanted to say." These two songs have been released on the European market for the beginning of June. Allison loves performing and feeds off of the energy from the audience, sharing her passion for music. Plan on hearing a lot from this artist in the future. She is going to be around for a long time.
