A wonderful collection of toe tapping, classroom tested songs, that teach specific skills and actually make learning memorable and fun. 9 MP3 Songs KIDS/FAMILY: Kid Friendly, KIDS/FAMILY: General Children's Music Details: Welcome to Sing it Instead 1! If you are a classroom teacher and haven't tried using music in your class to teach specific skills, then give this CD a try. I taught school for 30 years in Las Vegas, Nevada, the entertainment capitol of the world, where children are used to being entertained. Music works magic with any skill you want your students to learn. You'll be singing these catchy songs long after you leave the school building and so will your students. What marvelous results you'll have. Write a review after you try them. I know that you and your class will enjoy singing it instead. Fun for families too!
