

## Mp3 Brain&body - Tanz In Den Mai

[DOWNLOAD HERE](#)

Techno that weaves in World elements, Jazz, Classical, Experimentalism and a lot of vision. 8 MP3 Songs ELECTRONIC: Techno, ELECTRONIC: Experimental Details: Peter Bayreuther is the body, singing and tap dancing and playing violin, guitar, and sax: he is an exceptional musician with a special ability in improvised music, which is composed and created at the moment of the concert, like the whole CD "Tanz in den Mai!" Wolfgang Martin Stroh is the brain, making music with techno instruments like RaveOlution, Midi performance system, Kaos pad and Technox. Peter and Wolfgang have been on tour all over Germany and have been working together for quite a time: together they create a unique sound which blasts the boundaries of every day waking consciousness to bring you in a blissed trance state where you meet your own multidimensional personality.
