Who told her she could be a renaissance woman? She empowered herself. BILLBOARD MAGAZINE "Poetess-soul singer Camille Yarbrough has stylish traces of Nina Simone and Gil Scott Heron. Her songs are all thought provoking and the instrumental work aids and abets." OUR TIMES PRESS "Her shoulders admirers say, are the strong supports for such artists as Lauryn Hill, Erykah Badu and others. Although exceedingly complimentary, the appellations, comparisons and string of adjectives miss by a mile the monument that is Camille Yarbrough. Miss Yarbrough is beyond category." Camille Yarbrough is the voice on Fat Boy Slim's "Praise You".
