Related styles: POP: with Electronic Production, URBAN/R&B: R&B Pop Crossover People who are interested in Tlpopmusik Imogen Heap Milosh should consider this download. Details: This is Clayton Carr's first solo project. To call it eclectic would fit. With styles all over the place, Carr brings this album together with a voice and sound that you can't categorize. Sweet melodies and harmonies fill this whole album of 20 songs, (including the hidden outro song at the end). many of the songs are made with electronic, as well as acoustic elements. Carr, known locally as Claydo, -co-founder of Sick Lake Records and producer, has been making beats and vocal arrangements for artists and companies for the last 8 years. Mostly selling his hip hop/rap productions, he has gained a name for himself in that arena by performing/recording with acts like: Jay Tee, Scarface, Eric Sermon, Baby Bash, WuTang, Keith Sweat, and others. This album is a vocal album, and brings together many of the styles of music that have influenced Carr for life. Covering breaks/ house/ downtempo/ electro rock/ jazz r&b/ shoegaze/ trip hop/ pop/ bedroom house/ spiritual folk, and more, this album is, to say the least, diverse, and will have something for everybody. Carr plans to release at least 2 serious solo albums per year over the next 5 years, so if you enjoy this one, be ready for more.
