That old school blues soul style. 9 MP3 Songs URBAN/R&B: Southern Soul, BLUES: Blues Gospel Show all album songs: Southern Roots Songs Details: Born in Georgia raised in Abbeville and Dothan, Alabama. The blues and soul music became his third love family second and God first. Dwight grew up listening to music by Al Green, Johnny Taylor, Jimmy Reed and Muddy Waters. This CD is from his personal experience's and friends, it's from heart and soul. It gives me a great pleasure to share this experience with you. I hope you love and enjoy this soul music from the heart. The harmony in the background just might take you back to the old days of the temptations. Dwight grew up singing gospel in church and you can hear it in his rich soulful voice, in songs like what goes around comes around, Just one night, Addicted and others. This is not one of those CD's with just one or two good songs. If you like old school music this is the one. .
