This CD gets great reviews from everyone that hears it. "Wind and Wire" called it "a fresh and exciting take on acoustic guitar music". Sequoia is instrumental acoustic guitar music, with mandolin, keyboards, bass and other instruments. 14 MP3 Songs NEW AGE: Celtic New Age, NEW AGE: New Age Details: A listener described Sequoia as "a very pleasant collection of original material that will both capture and impress any listener seeking a fresh approach." This is new and highly original acoustic guitar music. The emphasis is on melodies and songs rather than speed and flash. Sequoia has an ambience that is mellow, mostly happy, occasionally introspective but never dark. The melodies are memorable. Since it is instrumental, it is good music to listen to while driving, reading, or working.
