Original acoustic music often compared to Jewel, Sarah McLachlan and Evanescence. 11 MP3 Songs

POP: Folky Pop, FOLK: like Ani Details: Harmony is an award-winning singer/songwriter often compared to Sarah McLachlan, Jewel and Evanescence. Equipped with an acoustic guitar and her extraordinary voice, Harmony will have you laughing, crying, dancing, yearning. Unlike so much of today's mainstream music, Harmony's songs have soul; she sings from the heart. Classically-trained in voice at the renowned University of Louisville School of Music, her vocal skills immediately grab your attention. Yes, her voice is beautiful, and whatever she sings sounds wonderful. But her real talent lies in making you feel what she is singing. Harmony's rendition of "Wayfarin' Stranger" will send chills up and down your spine. You will empathize with her need to escape life's frustrations as she belts out her silky-smooth blues in "Carry Me Away". Your spirit will be uplifted with the comforting messages and lilting melodies of "Blue Sky" and "Fragile". "July 16th" and "If It Makes You Feel Better" are guaranteed to put a bounce in your step and smile on your face. Feel the passion flow through your blood as you listen to "When You Love Me", "Minor Discrepancy" and "Bet You Thought". Finally, let the irresistible rhythms of "Take It Like A Man" and the title track "Lunar Dreams" take you on imaginative journeys.
