In your face, sh\*\* kickin', honky-tonkin', country music with attitude. 10 MP3 Songs COUNTRY: Country Rock, COUNTRY: Country Pop Details: This ain't yo' Mama's Country anymore! Jewels Hanson is your typical single, red-blooded, American female... and PROUD of it. She likes boys, whiskey, motorcycles and Honky-Tonks. Historically, female country artists have spent their time singing about love, marriage, and the "perfect" life behind the white picket fence. Frankly, that's a little bit too much reality for a rowdy cowgirl like Jewels. Entertaining crowds nightly at a world famous Honky Tonk has shown Jewels that the people she relates to (and relate to her music) are the ones who are out for a good time on a Friday night. Pioneering the female fight for drinkin' songs and barroom brawls, Jewels sings affectionately about the "man" in her life (Jack Daniels), and Billy Bob the nipple ringed cowboy. Mr. Right isn't on the agenda, but Mr. Right now sure does look good in those Wranglers. She's been called "Travis with Tits", "Hank Jr.-ette", and "Toby's Twin" by fans on a nightly basis. Spontaneity is her friend, and ya'll never know what she is going to do next... which is 99 of the fun. Jewels prides herself on giving the "Big Boys" a run for their money, and doesn't rest until every last fan is having a good time. This ain't yo' Mama's Country. It sure ain't yo' daddy's country. It's a NEW Country. And if you think you've seen it all, you ain't seen nothin' yet. You can bet your whiskey, there ain't nothin' like Jewels.
