When the world's country music is falling farther and farther away from its roots Kata blends the styles of Western, Swing, and Country, with a soulful edge, and a few good yodels... 14 MP3 Songs COUNTRY: Western, COUNTRY: Traditional Country Details: This cd was recorded in 2002, when Kata Hay was only 15 years old... But don't let that fool you for a moment in the quality of this recording... Her songwriting on songs such as the moving song Evelyn, a true story about her great aunt that will bring you to tears, Candle In The Window, a tale of a woman who waits for her husband to return from the Gold Rush in California, and the fun and upbeat I Wanna Be His cowgirl, is clear and shown that Kata was far ahead of her years even back then... If you own another Kata CD, your sure to enjoy this one... Kata even displayed her versatility and played dobro on this album in a tribute song she wrote to Dobro great, Tom Swatzell... If you like Western, or Country music, I promise this will be a cd to add to your collection! Bio* Kata Hay started singing at the age of 2 years old. By 5, Kata had many performances under her belt and was soon informed that she had been accepted to Star Search '93... She went to Florida, appeared on Ed McMahon's Star Search, and took ten thousand dollars home with her! She won the WHOLE thing! Not only that, but Kata is the youngest person EVER to win Star Search! WMA International Yodeling Championship, and made her second recording "On My Way To Nashville"... Also in 2001, she won the Oklahoma Opry's Female Vocalist Under 16 award.... In 2004 she was awarded, along with Ms Pat Boilson the "Harmony Champion's" award from the WMA! Kata took her musical escapades across the ocean in early 2004, to the 'Land Down Under', BEAUTIFUL Australia!!! She appeared on all the biggest shows there, with such Australian legends as the Kernighan's and Smokey Dawson just to name a couple... Kata returned to Aus in 2005, and was even more successful... In July of 2004 Kata opened up the Academy of Western Artist Awards with her original song "Biggest Heart in Texas" and brought the house down, then later that night took home the GREAT honor of the RISING STAR award...
