A collection of songs in celebration of Mary features several Marian chants, a wonderful Magnificat by Mary Anne Foley, and a Celtic Ave Maria. 19 MP3 Songs CLASSICAL: New Age, NEW AGE: Meditation Details: Thank you indeed! ... listening to your music over and over again. At this moment I have the Pax Amor Christi Trinity playing. Kathleen, congratulations on these very beautiful productions. Your song is just so prayerful. Obviously the music, song and prayer of the Visitation on and your Trinity of Songs is a profoundly spiritual creativity which could have been breathed up only from the depths of a soul which is habitually in communion. And your prayer/song holds us in communion too. I have loved every moment of listening. "Mary's Alleluia" is a great joy to me this Pasqua and I just love the intimacy of "Spirit and the Bride" which I experience as profoundly communing music. All of your songs are very, very beautiful Kathleen and your marvellously creative ministry of music, I know, must have a plentiful and broad effectiveness. You subject your listeners to great beauty and you tell all of us through your deep spiritual creativity of new and other aspects of Absolute Beauty. Yes Cait, thank you indeed, not just for two CD s, but for the deep essential self you share with us as we pray your song while you sing. (Brother Stanis Maguire, Vatican City)
