Singer/songwriter 16 MP3 Songs ROCK: Acoustic, ROCK: Folk Rock Details: This is our 3rd CD. We recorded the most popular live songs from our show, which include Black Heart, The Levi Song, Trees Burn (which is a angst-filled grunge song with super sappy love lyrics). Songs from this one were licensed by MTV, ABC, an AT&T commercial and an upcoming Hollywood director's short film. His producer said, "It's right up there with John Hiatt and Van Morrison in my book." Which is fine with me.
