Lonesome Bert sees the world through a different keyhole than you do, and his acoustic folk trio delivers his messages with a lively, straight-ahead style that will earn and keep your attention. 12 MP3 Songs

FOLK: Modern Folk, FOLK: Urban Folk Details: Lonesome Bert Hodge (Eisenhower's love-child, JFK's acolyte, Nixon's dupe, left high and dry by the Age of Aquarius,) with his acoustic guitar, has taken to the song-forgery to hammer his solipsistic angst into blades of irony, sarcasm and wit with which to torment the foes of free thought. Recorded live and together in the studio with the Skinny Lizards (Chris Clark on the hand-propelled acoustic bass, Steve Mitherz on the electric pandiero), this collection of engaging and mind-probing songs will demonstrate the true meaning of "neo-classical post-modern folk-blues" and point you in the direction it is headed.
