Misty Murphy spins seventy-three passionate minutes of wall-to-wall emotion on her debut solo recording: circles. 13 MP3 Songs POP: with Electronic Production, ROCK: Glam Details: Hailed as "the best pop music to bubble up in this valley" [SLC Weekly 0602], Misty floats through a brilliant and bruising world of pain, love lost, and self-discovery. A blend of passionate, driving rock and beautiful, flowing melodies signify a departure from the glamtronica stylings of her former band, Cork - however, devout fans will find a treasure trove of pleasant surprises, as well as the elemental charm that they know and love alive and kicking in her shining debut recording, "circles". _____ BIO _____ After a brief hibernation following the disbanding of Cork, "writing songs and pouring my heart out in my bedroom", Misty has embarked on a promising solo career. Her ability to fuse rock, electronica and acoustic styles makes her vibe intelligent yet provocative. She has a strong desire to connect with her audience, which makes her a magnetic stage performer. "I want my songs to move people in the way that certain songs have moved me. I want to do that for someone else. I want my music to be everlasting." With her guitar on her shoulder and her heart on her sleeve, she takes her deepest emotions "out of the bedroom" and onto her debut solo recording, "circles". _____
