I have listened to both the cassette and the CD. My sons came in the room while I had them on. My 8 year old said, 'I really like this music. Where'd you get it?' The 5 year old agreed. I explained that they were kid's musical productions and asked what he would think about the kids at church performing them. He LOVED the idea." Kimmie Hyatt, Mother and church Staff member, Florida. "What a precious CD. It is such a blessing and really ministered to me. It is just what I needed." Jan Lawrence, Women's Ministries leader, Colorado
