Popular Italian American tunes that bring together your favorite songs in a fresh, new contemporary and accessible style. 21 MP3 Songs EASY LISTENING: Love Songs Details: plosive voice of Nino Rossano brings back romance and magic in his just released double album "Hidden treasures" This captivating collection features lush themes from stage and screen and beautiful, melodic Italian love songs. From the haunting song "Somewhere in time", through the thunderous "Impossible dream, and the gentle "Wind beneath my wings". Nino's elegant tones recapture the almost forgotten art of romantyc stylings. Often compared to the late Sergio Franchi and Mario Lanza Nino possesses depth and range coupled with showmanship and ruggedly handsome good looks. His richly textured voice is vigorous and his style expressive. Born in Ribera, Sicily, Nino began singing as a child in his church choir where his extraordinary talents soon became apparent. When renowned voice coach, Carlo Menotti, first heard Nino sing, he took him under his wings. They worked together for three years to enhance his natural talents. While Nino has performed on the Italian and French Riviera, in Canada and on the Mountain circuit in this country, with such celebrities as Phyllis Diller, Pat Cooper, Jackie Mason, Marilyn Michaels. and others.
