A great mixture of disco and funk master tracks from one of the hottest groups of the 70's, that were never released. 12 MP3 Songs URBAN/R&B: Disco (R&B), URBAN/R&B: Funk Show all album songs: From the Vault Rare Gems Songs Details: During the 70's, Rare Gems Odyssey recorded quite a few songs, but only two albums were released along with a 12" Disco track. Recently, these unreleased songs were re-discovered. Songs that are so well done that reflect the times of the 70's. Disco, funk and ballads are represented. This CD is a compilation of these songs. You will be amazed at the clarity and how great they are. Rare Gems Odyssey pulled out all the stops and called on a few special musicians to assist them. Michael Nash and "Duke" of Rose Royce lent a hand on Keyboards and Bass Guitar, on several tracks. Michael King, master keyboardist also contributed. Horn players Platinum Brass rounded out the sound. All this added up to a GREAT sound similiar to Earth, Wind Fire and The Commodores. Produced by Rare Gems Odyssey's Members, Charles Givings Jimmy Gough For Rare Gems/Back Room Productions. This is a SERIOUS party CD.
