

# Mp3 Reinhardt - Summer Breeze ( Compilation Album )

[DOWNLOAD HERE](#)

The first release from a talented jazz-fusion artist from the netherlands . Smooth and beautiful music with influences of different styles and textures in jazz (rock),latin and fusion . Based on his fuchiJa concept . 16 MP3 Songs JAZZ: Jazz Fusion, JAZZ: Latin Jazz Details: The style of music that i create is FuChiJa , a mixture of Fusion , Chill and Jazz styles layered with a R&B rythm . \*\*\* SPECIAL XTRA OFFER , SEE AT THE FOOT OF THIS PAGE \*\*\* SONG DESCRIPTION : 1.Summer Breeze : My humble masterpiece , beautiful smooth lazy track with a fretless bass ,Summer feel guitar solo and sexy sax playing . With a little spanic undertone . 2.Slowjam : Uplifting drum section , Jamming sax with a digital piano vibe . 3.Theme of Inspiration : Fusion track with a lot of percussions and a domestic Rhodes piano , And the sax is a brother of wayne shorter ! 4.Corazon : The Sun shining on me , sitting at the beach playing on my flute , boring tune , i thought , there is some- body playing guitar in the back , it's Jorge santana ! 5.Casiopea : Smooth Marcus Miller bass-alike , dreamy soft-jazz/fusion track , with a fender Rhodes and old classic detuned piano. 6.Black Pearl : ( "When i look in her eyes i see Black Pearls sparkle" ) , with Funky bass riff's and blowing horns , the jazz-funk is back . 7.Passion Flower : Mezzoforte maestro ! , Made with passion for my wife and her everlasting patience with me . 8.Not Alone ( Anymore ) : Syncopic drums and a seashore as background , that can only be a start for a romantic movie , and it is . 9.Point of No return : The perc's and bass lift you to a higher level , and that's the point of No return , i melted a santana-feel into it . 10.Gare Du Nord ( Once Upon A Time in Paris ) : Ennio Moricone , My favorite in movie-music has certainly put some influence into this track and i finished it with a fusion style . 11.Soul2Soul : Slow Piano track with a floating fender , just to dream on to . 12.Wayne's Theme : Jazzy lazy theme , with a Wayne saxy tune and some heavy r&b drums and a pastorius bassy basement , chilled up with a rolling rhodes . 13.What would you do : Sad memories , rainy day's , but with some nice

mandolin into it end's in a beautiful day and also a rainbow shining above. 14. Tranquillity : Ever needed a quiet time of your own ? , i do . Guitar ballad inspired by Joe satriani's "Cryin" . 15/16 The last minutes : Based on memories of my dearest mother , she past away 2 years ago . And i didn't had the time to say her goodbye ..... PERSONELL: My music is like a journey trough this world , exploring with great expectations , creating smooth moods . And to distract myself in this hard and troubled life , with music i'm walking on water . All my songs have a melodramatic foundation with a classical background . fuChiJa is a registered name .(1998) First of all , i wish to thank Almighty God and His Son Jesus Christ for my blessings and the talents that He has given me . Also my wife Nancy ,my children , my parents and family . Introducing myself as a musical conductor/songwriter/arranger . All my songs are produced and conducted in my studio with the help of high performing software.
