If you love organ trios, this is the one to get. 8 MP3 Songs JAZZ: Bebop, BLUES: Guitar Blues Details: RICK WURZBACHER One of the most exhilarating guitarists to make his entrance into the "Big Leagues" in 2002. Primarily influenced by his good friend, mentor, and guitar virtuoso Pat Martino, as well as the late Stevie Ray Vaughn, Rick puts it right in the pocket. His playing genuinely demonstrates "The Essence" of his soul. After playing and recording with Joey DeFrancesco, Rick's next logical step was to record a studio album with.... "PAPA" JOHN DEFRANCESCO Legendary Jazz Organist, "Papa" John DeFrancesco is truly one of the world's greatest Hammond B-3 Organ players of all time. This incredible musician has been driving jazz, blues, and bebop for more than 40 years with his heart-pounding bass lines, rhythmic dexterity and breath-taking solos. You can feel his deep groove from beginning to end as "Papa" creates an enormous sound with his own drummer.... GLENN FERRACONE Serious Rhythm, versatility, and creativity best describe this awesome percussionist. Glenn wears many hats including performer, teacher, clinician, and recordist. His awesome performance on this record clearly shows his high level of excellence in his craft. From swing to blues to driving jazz, you will enjoy Glenn's signature sound all the way through, as he emphasizes his great collective effort of this album.
