"Imagine if David Bowie had been co-opted to score the soundtrack to David Lynch's Twin Peaks."

"Sancho Panza is a cross between Godspeed You Black Emperor under valium and Jim O'Rourke at the top of his form" 10 MP3 Songs ELECTRONIC: Folktronic, ELECTRONIC: Experimental Details: sancho sancho is the first solo material from former member of Brothers in Sound, Paul Hanford. Featuring contributions from Russel Kemp, Dave Purse (Betika) and Matt Shaw (Tex La Homa), cha cha mancha is an eclectic mix of multi-layered lo-fi electronica. people said these things ! 'kill your best friend to get hold of one.' Logo 'Pretty goddamn crafty, fucked up, yeah, but crafty' WIRE 'Quite simply an amazing debut.' losing today 'just get it now .. even if you dont have a record deck - just get it.' I really love music 'Everything about this screams 'sweet' and 'lofi'.' NME 'the first vinyl from Superglider records is a little marvel' i-muzzik * * * * Rolling Stone * * * * * 'Proof of unfailing courage and eccentricity. A treasure to be cherished preciously. Magic Incredible, and atmospheric, plays in lo-fi but thinks in technicolour. Les Inrockuptible 'A lovely special album.' I really love music
