

Mp3 Serenity's Red: Debut Ep - Urban/r&b: Soul

[DOWNLOAD HERE](#)

A breath of fresh air to soul lovers, real love making kinda music, for those fed up with music that has no heart... It's good time music on this Debut EP. This Ep features label mate Jadin Cere in bonus tracks.. 5 MP3 Songs URBAN/R&B: Soul, EASY LISTENING: Love Songs Details: There are actually 12 Tracks on the CD you will receive so it will be a great surprise. Serenity's Red is a long awaited beautiful combination of mid tempo, up beat and slow jams. The Cd will make you feel good and want to hear more from her. She sings from her heart about what makes her feel good. Serenity was born in Charlotte, NC and her travels have included much of the continental US including, Florida, California, Texas, New York, South Carolina, Georgia, and abroad. Serenity is the God Child of Stanley (MC Hammer) and Stephanie Burrell, and has worked with Jadin Cere(also a CD baby artist), Ray Love, Rock Most, Blaze B (Executive Producer on "Red"), LA from Hitman records and many others. Special Thanks to the The Fam Entertainment. Full length CD will be available soon please feel free to email me for updated information. You can also call 704-340-3584 for CD release dates, store availability and performance dates!!! We would love any feedback so please feel free to visit our web site Hitmanrecords or email her at adunwood@carolina.rr.com Remember Serenity's RED
