Sfunk has been known to take some jazz-funk standards to new levels, while their new stuff keeps people coming back time and time again to get their groove on. 11 MP3 Songs JAZZ: Acid Jazz, URBAN/R&B: Funk Details: Sfunk is a Bay Area-based band that lays down some of the thickest groove-oriented music the area has heard in ages. Sure they're straight-up funky, but Sfunk's music often has an old-school spin to it. Grooves from back in the day that are perfect for down-home booty shakin' and backyard barbeque bakin'. Drawing from influences like Jimmy Smith, Grant Green and Herbie Hancock, many of the group's originals blend traditional, soul-jazz influenced melodies with blistering solo sections and hip-hop beats. Of course, Sfunk can't help but be influenced by the new school of jazz-funksters like the Greyboy Allstars, Charlie Hunter, and Galactic.
