He performed in several east coast venues, including 2002s Party 93.1 FM Summer Jam in Miami . Not bad for a fifth-grader. 2007 welcomes SONCHILD back to the stage with his first full length album "DREAM INTO ACTION". A suitable title for a young man already proving himself a creative force to be reckoned with. Including both covers and originals I Go Where I Go (featuring Dan-E) and Homeworkwhich has already conquered the Hot96Top Tenits style goes beyond dance to include funky R&B grooves and radio-pounding Pop.
