Mysterious and melodic adventures, sonic tales of great beauty and wickedness. 5 MP3 Songs ROCK: Folk Rock, POP: Quirky Details: \_\_\_\_\_ The Story of Sweet Bleeders Origins-- 1999-a large concrete box in Phoenix, AZ was sweating on the inside. \_-) Odours and secretions spread from the walls into an old piano..and through the skin of his hands, infected @he \*1 who played upon its keys with fever dreams of the sounds of tractors turning into antelopes and wild rabbits. The sound of these dreams, necessarily abridged, are //being/--translated into songs and sonic adventures of enduring duration by Robin Vining and Mark Erickson and with the aid of other individuals with talents and reasonings sympathetic to //our ownn///-.theirs. \_\_The Players- Robin Vining--Primary singer and writer- makes sounds with guitars, keyboards, pianos, anything that can be blown into or struck soundly, whatever else is necessary for the moment. Enjoys coffee and putting things in his eyes. Mark Erickson-- sonic manipulations-makes electrons bleed honey and hot vinegar. Plays with cats. guitars and keyboards and voice. \_\_The Action\_\_ Sweet Bleeders' ' first release, \_\_Murder, go home.\_\_ is a collection of ballads of crisis. From the forest to the faucet: fire, love, destruction, loss, and canine intelligence...hearty screams and acoustic dreams. The next record is) has already begun and is due for release in Spring or Summer of 2004. This effort exhibits more vaudevillian flair and whenever possible, eschews the rock in favor of the roll. \_\_\_\_\_
