Audio book with music 3 MP3 Songs SPOKEN WORD: Audiobook, SPOKEN WORD: With Music Details:

The Tinnners is a dramatic, fictional historical novel on 3 compact discs, documenting the struggle and survival in the life of a Cornish tin miner and his family, set in Mid 19th century Cornwall, England, when the Tin mining industry faced economic disaster. A gripping tale for both young and old, a depiction of family values with an unusual refreshing parallel to the world today. The story is narrated by the author and includes sound effects and original incidental music capturing the mood and the flavor of the time period. The hardships, joys and mysterious events are beautifully told, as is the suspenseful introduction into the story of the mythology and ancient folklore surrounding the tin mines. At the end of CD 3 are complete versions of the theme tunes used throughout the story, and a complete version of the original song composed and performed by the author The Tinnners. Included is a fold out booklet with a map and short history of Cornwall. Geoff Watkinson is a painter, musician, graphic artist, teacher and author living in Mexico for the last twenty two years. Born in London, England, he has dedicated his whole life to the creative arts. His paintings are in collections throughout the world. He has been a performing and recording musician for many years, and has composed numerous original musical compositions.. People who are interested in should consider this download.
