Tom Eslick sings contemporary folk originals with an intricate fingerpicking style. Gentle Folk. 12 MP3 Songs FOLK: Gentle, FOLK: Modern Folk Details: Tom Eslick is a decades proven singer/songwriter who has performed at clubs, colleges, and coffehouses throughout the northeast. His longest gig was a six year stint as house musician at the famed Trapp Family Lodge, and he has played for houses as small as The Press Room in Portsmouth, New Hampshire to a jam packed Sanders Theatre at Harvard University as a warm up for Fairport Convention. Toms songs are a blend of humor and reflection, of satire and thoughtful commentary on events that affect us all. As one critic remarked, Tom is Martin Mull embodied in a Segovian guitar master. Toms performances, indeed, are showcased by intricate guitar work, with a string of engaging patter between beautifully crafted songs.
