Soft instrumental new age music that combines acoustic instrumental and electronic sounds to produce melodic compositions that invoke thoughts and emotions. 14 MP3 Songs NEW AGE: New Age, EASY LISTENING: Mood Music Details: Xulinos' first release "offers [original] new-age instrumental compositions sprinkled with jazz..."- Tim Brouk Arts and Entertainment Journalist. Not only does the music relax and sooth but knowing that all of the proceeds from this project are being used to benefit children at the S.O.S. Tibetan Children's Villages in Northern India should inspire purchasers of the CD to tell their friends about it. After 7 years of composing the 14 selections on this offering, Xulinos hopes to contribute to the listeners' sense of peace, while the listeners take pleasure in knowing their contribution is accepted graciously. And from the office of His Holiness the Dalai Lama, "...thank you for the CD containing your musical composition. We hope this will be successful." "Xulinos' music is an intriguing mix of sounds and styles that leaves one with a feeling of satisfaction and balance...an excellent job - I can tell it was composed and performed by someone who truly enjoys what they are doing." - Susan Dunman, [PLANET WAVES - WKMS, Murray State University Radio] "In my opinion, this is a recording which will stay close to the CD drive. From the esoteric to the natural music with emotions we all feel. Thanks, Xulinos." - "Flyingman", [Ancestral Rhythms -WAWL, Chattanooga State] "Mind Objects and Other Emotions... really splendid compositions, bringing light in our lives." - Sergiu Rusu [Ambient Universe -Host, Radio Arad, Romania]
