BE SURE TO DROP ME YOUR HONEST REVIEWS! THANKS AGAIN MARLON H. SMITH born 12/9/84 in seattle, washington; also resided in centerville, mississippi; colorado springs, colorado... rapping for 12 years, producing for 5 years... i feel i bring to the rap game what has been missing for many years; the love of making music. most bubble-gum commercial pop-corn ass rappers now of days are in it just to make a quick buck, and NOT for the love of music. you can hear it in their music, rappin about the same non-sense as everyone else (cars, bling bling, killing/shooting people)...i can't even say that i am a fan of rap anymore, because so many artist are selling out, and portraying an image of someone they are NOT, and rapping about non-sense they have never seen or done. making threats, and speaking on things that they are not capable of! ...WHEN WILL IT ALL END???
