Electro-acoustic music from Ireland. An eclectic broad mix of jazz, traditional celtic instruments, dance/house/techno with brilliant lyrics. 13 MP3 Songs WORLD: Celtic, ELECTRONIC: Dance Details: The Irish singer Maria Walsh "doesn't ask", Bill Graham once said, "she DEMANDS that you watch and listen". Her partner Carole Nelson has been called one of the most extraordinary composers working in Ireland today. Together they create a passionate, dynamic sound that integrates Celtic lyricism with the rhythms and technology of today. Zrazy's stunning blend of electronic soundscapes, traditional instruments and brilliant lyrics has enraptured audiences from Berlin to New York. The first two CD's capture this sound while the third CD Private Wars is a beautiful mellow original and award -winning jazz album. They tour regularly in the USA, especially Spring and Fall tours.
