

Preaching For The Contemporary Service - Joseph M. Webb

[DOWNLOAD HERE](#)

Preaching for the Contemporary Service is a guide to releasing the energy and creativity of the contemporary worship service within the sermon. Is the traditional sermon still relevant in contemporary worship settings or is it hopelessly out of place? Joseph Webb shows how improvisational preaching taps into the spontaneity of today's worship to engage audiences with the good news of Jesus Christ. To read a sample from the book click here

"Joe Webb grieves that much contemporary worship yawns at traditional preaching and pleads for a new kind of improvisational preaching that does justice to the biblical story and connects emotionally with today's listeners. Carefully explaining both strengths and dangers of improvisation, he draws on insights from theater and movie-making with much practical advice for planning improvisation. A lively and stimulating book to be taken seriously by any who would preach in contemporary services." --Michael J. Quicke, Professor of Preaching, Northern Seminary, and author of 360-Degree Preaching

"Joseph Webb has devoted his lifetime to the craft and mission of preaching. He brings fresh and cutting-edge insight with the wisdom of a sage and the foresight of a prophet to a whole new emerging generation of communicators." --Gene Appel, Lead Pastor, Willow Creek Community Church

"Bull's-eye! Joe Webb's theory of improvisational preaching hits the target for effective communication in the digital age. And here's why I love it: Lots of people will tell me what to do; Joe shows me how!" --Tommy Kiedis, Teaching Pastor, Memorial Presbyterian Church, and Director of Leadership Development, Reformed Theological Seminary

"This book shows us how to improvise our preaching without compromising the Scripture, a welcome help to those of us working to revitalize the worship of the church." --Kenton C. Anderson, ACTS Seminaries of Trinity Western University

Joseph M. Webb is Dean of the School of Communication Media and Professor of Global Media and Communications at Palm Beach Atlantic University.
