Stress can come from

anywhere, your job, your home, your family, you get the picture... You are drained mentally and emotionally from things that seem to be out of your control. Sometimes you feel like being a hermit because of these problems being thrown at you. You feel powerless to do anything, but there is a remedy for all this. When you have freedom from stressful situations, you feel good about yourself. You don't have to deal with feeling sad, angry or sick. You also have time to do other things and not have to deal with people trying to dictate what you need to do. It can be difficult to cope with these situations if you're having to deal with them like a merry-go-round. It can wreck your nerves and sap whatever spirit you have left. There are some people who just cave in to the stress and allow it to take over their life. They feel that there's no way out. They think that they must spend all of their time dealing with stressful situations and not having a life of their own. There are different things that cause stress to occur in a person's life. However, if all they do is continue to fight it instead of working with a solution to be stress-free, then they're stuck between a rock and a hard place.
