Details: Rod Mobasher is a fantastic Nuevo Flamenco guitarist, with a unique style of playing that combines the hot flavors of Latin, Mediterranean and Middle Eastern style music. His passionate style of playing will make you dance, melt your heart and take your imagination to far away exotic places. His first CD Guitarra Con Amor was quite a success and inspired him to produce Strings of Passion which we believe will even surpass his first CD. Rod believes that music without vocals, enables the mind to explore and feel the emotions we have bottled up within us. His use of percussion, and occasionally some violin, add that special touch that enhances and excites our passionate and emotional expressions. This CD is a must have. Great for entertaining or just to listen to.
