

Worship As Meaning - Graham Hughes

[DOWNLOAD HERE](#)

How, in this Christian age of belief, can we draw sense from the ritual acts of Christians assembled in worship? Convinced that people shape their meanings from the meanings available to them, Graham Hughes inquires into liturgical constructions of meaning within the larger cultural context of late twentieth-century meaning theory. Major theories of meaning are examined in terms of their contribution or hindrance to this meaning making: analytic philosophy, phenomenology, structuralism and deconstruction. Drawing particularly upon the work of Charles Peirce, Hughes turns to semiotic theory to analyse the construction, transmission and apprehension of meaning within an actual worship service. Finally the book analyses the ways in which various worshipping styles of western Christianity undertake this meaning making. Taking account of late modern values and precepts, this ground-breaking book will appeal to teachers and students of theology, to clergy, and to thoughtful lay Christians. Author: Hughes, Graham Publisher: Cambridge University Press Illustration: N Language: ENG Title: Worship as Meaning Pages: 00338 (Encrypted PDF) On Sale: 2003-09-11 SKU-13/ISBN: 9780521828512 Lib Category: Liturgics Lib Category: Meaning (Philosophy) - Religious aspects - Category: Religion : Theology
