Appearances dont always deceive, but they certainly can and, for one hapless husband who makes the mistake of underestimating his languid and disinterested wife, the truism is about to kick in with the most

devastating of effects. For him. On a trip to Brazil, high-flying oil executive, Hugh Derwan, begins a fiery affair with the volcanic Juana and sees a way, in cahoots with his money hungry and controlling mistress, of not only kidnapping his wife Sally and enriching himself on the proceeds but ridding himself of his uninspired spouse forever. The abduction itself he entrusts to Juana and it seems fool-proof, but then how could he have foreseen the Stockholm Syndrome raising its perverse head. Still less the consequences it would mean for him and his enslavement that would soon be forthcoming. WARNING: contains scenes of an explicit sexual nature
