[DOWNLOAD HERE](#)

If you can overblow notes on a harmonica and are looking for a musical way to incorporate them into your playing, here are 15 tasteful and challenging licks. They are grouped in different categories (from the 5 chord, chromatic ascending etc..) Each lick is demonstrated first, then played slowly numerous times with a metronome and finally shown in the context of a blues song. The lesson comes with complete tablature for each lick and also four rhythm tracks to jam along with. If you already can overblow, this lesson will take you to the next level. 39 minutes long.
