Learn To Write High Response Sales Letters In Just 25 Minutes With Quick And Easy Steps That Work Every Single Time - Even If You've Never Written One Before Dear Friend: I was talking to a good friend of mine last week. He just got into online marketing maybe two weeks ago, in contrast to my seventh anniversary edging ever closer. He pays close attention to what others are doing, so I'm always happy to answer his questions. Anyway, during that conversation he asked me probably the most important question he could have asked that immediately told me that he's going places, and fast. This is what he said to me... "Do you know if there's something I should be working on, a skill I should start developing right now that will help my business grow Quickly? What's the most important job an online marketer can learn to do will?" The answer was simple "Learn to write sales copy" I told him. Why? Because if you can't write sales copy, it doesn't just affect your sales, it affects your lead generation, the response to your ads, your resource building, your profits, the quality of your products, everything." There was a short silence.. And

then the reply came "That's a problem, you know that I dropped out of school at 17 and can't afford to pay a copywriter \$3,000+ for a sales letter every time I want to sell a product or send out an ad. I really don't have a chance do I?" He said in a disappointed manner. More chance than you think I said... Fast forward 30 minutes and from not knowing where to start, from having never written a sales letter before, he left that conversation with a sales letter that continues to sell products at one sale to every 75 visits for his premium product (that's even before any tracking and testing on his part, there's no doubt in my mind it'll improve). It will take 30 minutes of your time, and you'll come out the other end of this knowing how to write high response sales letters again and again. All you have to do is follow a simple formula. Here's exactly what I showed him... "How To Write high Response Sales Letters Explode Your Sales"!
