

Mp3 Alexander Bonus - Useful Inventions

[DOWNLOAD HERE](#)

Electronica for a new age that fuses classical compositional techniques with virtual, sonic landscapes both meditative and menacing. 8 MP3 Songs ELECTRONIC: Electronica, NEW AGE: Ambient Show all album songs: Useful Inventions Songs Details: Alexander Bonus' seventh album breaks new ground into the exploration of dark ambient sound-worlds. In Useful Inventions, Bonus compares, contrasts, and mixes electronica techniques with minimalist compositional practices. The album reflects a symmetry of abstract concepts, emotions, sonic colors, themes, and rhythmic shapes.
