Mp3 Alf - Alongside Frank

DOWNLOAD HERE

Alongside Frank does meld all manner of rhythms with older forms (such as jazz, funk and dub) and choral elements of traditional song writing with linear conventions of club music, then given a unifying hypnotic gloss. 10 MP3 Songs EASY LISTENING: Lounge, JAZZ: Smooth Jazz Details: Reviews THE WIRE The stunning second album from ALF, its so laid back its almost horizontal, the dubby beats transporting you far away from Monday mornings at work, to a world where the sunshines endlessly and long cool drinks are free at a poolside bar. SUNDAY TIMES: The Culture With the student body in recess and other minds focused on the holiday season this is traditionally viewed as a bad time to be releasing albums, which is why the big guns hold fire until autumn. The upside of this is that some of the interesting and inventive music that is always out there becomes more visible. Such is the case with ALF. Every week at least a dozen albums arrive vainly trying to do what Alongside Frank does
