A warm, bluesy voice like a breath of fresh air in the current alt folk/alt country/pop environment. Thoughtful, intelligent lyrics. Singable melodies. Wonderful CD. 10 MP3 Songs FOLK: Modern Folk, COUNTRY: Country Folk Details: "I LOVE the "Taking the Cure" CD. I especially like the song, Save Yourself. My mother-in-law was abused and my youngest brother abused both his first and second wives. That is a song with a powerful message. . . . I really got into the words of Taking the Cure. . . . I turn it up loud and really enjoy all your songs." -- comment from an listener (name withheld) Warm vocals and strong acoustic arrangements deliver thoughtful, intelligent lyrics combined with singable melodies on topics like love (of course!), domestic violence, eating disorders, and all kinds of human emotions. Third CD from this strong songwriter and consummate song stylist. Her warm, bluesy voice is a breath of fresh air in the current alt folk/alt country/pop environment. Thoughtful lyrics run the gamut of emotions, and careful production provides excellent backup to Scalet's accomplished guitar work. The Scalet/Lorenzen composition "Half of My Heart" garnered an honorable mention in Billboard's 2001 song contest.
